2. The winning team (or home team in the case of a tie) must report the game score/card, as follows:
 - a. After a referee and both coaches sign the game card, the winning team’s coach/manager shall collect the game card from the center/head referee.
 - b. Within **30 minutes** after the conclusion of a game, the winning team (or home team in the case of a tie) shall report the score using the QR Code on the game card. Don’t forget to “save” your entry.
 - c. Within **two hours** after the conclusion of a game, the winning team (or home team in the case of a tie) shall report the game card to the Tournament Committee by (1) sending a photo of the completed/signed game card to scores@opsoccer.com and/or (2) taking the original game card to a Tournament HQ tent or designated drop box (see field maps for locations).
 - d. Failure to report the completed/signed game card within **two hours** after the completion of the game may result in the game recorded as a **1-1 tie**.

For additional details on game cards, scores, points, standings, etc., we encourage coaches and managers to read the OPI Rules on our [tournament website](#).

Please note that we are not using the integrated rosters from GotSport (as many teams do not use it); that is, most game cards do not contain the roster information that was uploaded into the Registration tab for team check-in.
